

Team Granger ready for return Brisbane bout

Team Granger will be looking to avoid the problems it encountered at its last start when the immaculate #5 Lazer Cadillac Dirt Late Model hits the track for Round 5 of the Extreme Motorsports 'Thunder' Series at Brisbane International Speedway (QLD) Saturday January 16.

Despite a clash with the wall while leading Heat 1 (broken control arm) and a fuel pressure issue in Heat 2, Blair Granger steered the #5 home to a 4th place finish in the Main on December 5. It was a difficult drive for Granger after 'rolling' his ankle in the pits and tearing some ligaments.

Now fully recovered Granger is keen to move the #5 to the pointy end of the field at Saturday's meeting but faces stiff opposition from the strongest Queensland Dirt Late Model field yet, that is bolstered by the appearance of US racer Bert Cheatham.

Team Granger will also head to Tyrepower Parramatta City Raceway (NSW) Saturday January 23 to contest the Tyrepower Late Model Grand National. The event is set to see close to 30 of the nation's best Dirt Late Model racers, and two US competitors, attempt to qualify for the 30 lap A Main.
