## Team Granger return to Late Model competition at Maryborough Speedway

Blair Granger will be back behind the wheel of a Dirt Late Model at Maryborough Speedway (QLD) Saturday September 26.

The Queensland based racer competed in the Super Sedan division last season but after selling his car he will return to left hand drive competition in a 2004 Lazer chassis cloaked in an immaculate Cadillac body featuring the traditional Team Granger colours.

Team Granger gave the car a successful shakedown at Brisbane International Speedway (QLD) Saturday September 19 and are looking forward to a solid performance in Round 1 of the Extreme Motorsports 'Thunder' Series at Maryborough.
