

Team Granger ready for Brisbane battle

Team Granger will be looking to put some solid results on the board when the immaculate #5 Lazer Cadillac Dirt Late Model takes to the track at Brisbane International Speedway (QLD) Saturday December 5 in Round 4 of the Extreme Motorsports 'Thunder' series.

The team returned to competition at Maryborough in September securing a 2nd and 1st in the Heats before retiring from the Main with body damage. After missing the Gympie Round Team Granger was set to contest Round 3 at Brisbane International Speedway in early November only for a gearbox component to break prior to the car leaving the pits for Hot Laps.

Team driver Blair Granger is keen to get back on track this Saturday night and would like nothing better than to load the car back in the transporter at the end of the meeting with some worthwhile results to show for the teams efforts.
